

Burnet Eye Care & Llano Eye Care

CONTACT LENS AGREEMENT

Insurance and Vision Plans require us to charge SEPARATELY for **Eye Exams** and **Contact Lens Services**, which includes evaluating cornea health, contact lens positioning and comfort, lids and lashes, visual acuity, training for new wearers, ***diagnostic lenses, and **includes up to two (2) months of follow-up appointments** related to lens fit or prescription. **After the initial two (2) months, ADDITIONAL FEES WILL APPLY.** **Your Doctor may need to see you for a follow-up appointment/s to ensure proper fit and visual acuity BEFORE finalizing your prescription.**

Contact Lens Services Fees and Insurance

Some Insurance and Vision Plans offer coverage for all or a portion of the Contact Lens Services Fees. Most Vision Plans offer an allowance to be used for the Contact Lens Services fee AND the contact lenses, together. **It is our policy that you pay the Contact Lens Services Fee (or copay) out of pocket, then you can use the total allowance towards contact lenses.**

RETURN POLICY

Contact lenses must be picked up within 30 days of delivery to Burnet/Llano Eye Care from manufacturer, otherwise we reserve the right to return them to the manufacturer and charge a restocking fee. Contact lenses are an FDA-regulated product and Federal law prohibits us from reselling or reusing opened boxes or vials. You can return UNOPENED boxes purchased from us with 30 days of purchase. You can exchange UNOPENED boxes within 60 days of purchase AND with a "prescription change" as determined by your Doctor. ALL RETURNS or EXCHANGES must be sealed in their ORIGINAL, UNMARKED, UNDEMANAGED, UNOPENED package, and the box or vial must be in new condition. We will not reimburse any charges associated with shipping fees. *Coopervision Frequency 55 and special order/made to order contact lenses CANNOT be returned or exchanged. **Patients who wear ComfortKone, custom RGP, and some other types of custom soft contact lenses DO NOT receive any diagnostic lenses. Remakes and returns of these specialty lenses are considered on a case-by-case basis at the discretion of the Doctor and the lab.
